

THE FLEISHMANHILLARD INTERNSHIP PROGRAM

Kuala Lumpur

ABOUT THE OFFICE

Kuala Lumpur is not only the federal capital of Malaysia, it's also the country's most populous city. And it's a hub for many of the country's cultural activities and events, as well as the home to the tallest twin buildings in the world - the Petronas Twin Towers. Located in the heart of Kuala Lumpur and reflective of the vibrant city, FleishmanHillard's Kuala Lumpur team shares the guiding principles of the firm's founders: mutual respect, integrity, teamwork and "client comes first" customer service. The internship program for our office encourages recent graduates to make the leap from the classroom to the workplace. Successful candidates will gain invaluable experience working with our industry-recognized consultants on challenging client projects.
